

## DOUGLAS COUNTY 4-H POINTS AWARD PROGRAM 2018 GUIDELINES

1. The Points Award Program is open to any registered Douglas County 4-H community club member in grades 3 and above.
2. Points earned will result in the payment of the following percentages for registration costs of 4-H programs and activities:

45 points and above	=	75% payment
33 to 44 points	=	50% payment
Minimum of 20 to 32	=	25% payment

There is a funding limit per member per year:

Junior Members (grades 3-7)	\$100 per year maximum
Youth Leaders (grades 8-13)	\$200 per year maximum

3. **The number of points you earned last year sets your percent level of payment for this year. Fill out the form for activities that you did/will do between July 1, 2017 – June 30, 2018 (last year) and you'll be reimbursed for activities that occur between July 1, 2018 – June 30, 2019. (These dates seem strange line up with our fiscal year.)**
4. The total points you earn must include at least 15 points from 4-H participation.
5. The funding level is based on your grade as of January 1, 2018.
6. The Points Award Program can be applied to any 4-H sponsored event on a county, district, state, or national level.
7. If you need financial assistance prior to the 4-H event, a written request must be received by the UW-Extension Office at least 2 weeks prior to the registration deadline or 2 weeks before the actual date of the event if there is no pre-registration. Written requests will be taken after the event and may take up to a month to reimburse.
8. Members must sign-in at all 4-H activities they attend and will need to look for sign-up sheets.
