We're reaching the end of another 4-H year and I hope you've had a great one!  
New this year the application process has changed:

There are two application processes:

- 4-H Member Awards and Scholarships (below is required application steps)
  - Resume (follow template directions)
  - 1 essay answering the question "What do you hope to learn from this educational experience?"
  - Education Experience Preference form
  - Recommendation from a 4-H adult volunteer
  - Complete an interview
  
- 4-H Project Based Awards (below is required steps)
  - Application form
  - Short essay answer questions on up to 2 of your favorite projects
  - 4-H projects fair participation form

The 4-H Member Awards and Scholarships application process is for youth interested in receiving scholarships to attend 4-H educational experiences (trips). The 4-H Project Based Awards are for youth seeking recognition for their hard work on 4-H projects and fair participation.

Both applications are open to any 4-H youth entering grade 7 and up this fall.

There will be two workshops available for youth to get help with the application. These are Tuesday, August 29, 2023 from 2-3pm and Monday, September 11, 2023 from 5-6:30pm. Both workshops will be at the Extension office in the Courthouse.

Please pay close attention to the applications as the process has changed. These applications are a summary of your 4-H accomplishments over the past year. Included in this packet are all of the required forms, or they can be found on the website <https://douglas.extension.wisc.edu/trips-awards-information/>.
